Accommodations

The interior of Bellissima is decorated by Carlo Galeazzi.

The lower deck charms visitors with four plush staterooms (one king, one queen and two twins), each with a private bathroom and plasma TVs and DVD players.

The main deck consists of a helm station on the starboard side and a chart table on the port side. An open staircase to the cabins below and on the starboard side is a day head. Aft of that is the galley and bar area opposite the dining table which seats 8.

The salon has newly reupholstered furnishings and is further aft with an entertainment centre, a couch and chairs opposite and access out to the aft deck.

There is access from the aft deck down two side staircases to the swim platform.

Galley

The galley is cleverly hidden from the guest's view by a bar area and sliding door. It is situated on the port side, features Azure Granite countertops and is equipped with Miele and GE appliances.

Dining

The dining table runs down the starboard side of the boat opposite the galley. A beautiful table that seats 8, surrounded by two great large photos of previous adventures and has a great view through the large window.

The galley is cleverly hidden from the guest's view by a bar area and sliding door.

Salon

Carlo Galezzi established the perfect decor for the yacht. Comfortable elegance surrounds the guests in the soft gentle curves of the vessel beginning with the convex doors leading from the cockpit into the main salon.

Here the salon features Newly Reupholstered Furnishings, and rounded sofas and oval table create a

spaciousness that is revealed in the natural lighting and contrasting hues. Natural creams bringing in the various blues from the sea outside create the most relaxing atmosphere in any destination.

With a Large Pop-Up Plasma TV and entertainment system aft, and a bar in the middle of the room, the salon is perfect for relaxing at any time of the day or night.

Aft Deck

The aft deck features a New Teak Table w/ Compass Rose and New Exterior Cushions & Coverings. The dining area offers open air entertaining, day or evening with ample seating for all eight guests onboard.

Speakers connected to the main salon stereo system let you enjoy music while dining.

A refrigerator is located in the Starboard pilaster.

Flybridge

The Flybridge features a Brand New Jacuzzi w/ LED Color-Changing Lights, New Teak Decks and a New Bimini Top. The area serves as a huge expanse perfect for relaxing and entertaining in that perfect anchorage.

A helm station forward. Immediately behind that is a BBQ area complete with grille, sink, service area, a drinks fridge and an Raritan ice maker. A large dining table to seat 8 comfortably.

Aft is a sun pad area with New Exterior Cushions & Coverings. This entire deck can be covered with an extra large Bimini or left uncovered.

Master Stateroom

The Master cabin has polished wood walls that shine and reflect the elegant lighting of this spacious full width room. The king bed welcomes her visitors with light clean fabrics and soft comforting tones.

On the port side of the cabin is the private bathroom, and a spacious walk closet is on the starboard side.

VIP Stateroom

The VIP cabin is spectacular with soft, rounded features and a rounded queen bed in the center, setting the stage for a brilliant state room.

There is a desk on the starboard side and spacious private bathroom on the port side

A flat screen TV with DVD, eye shaped windows and mirrored panels make this truly unique room a perfect setting for a VIP.

Guest Staterooms (Port & Starboard)

Both twin cabins have a surprising charm for this style of room. Soft colors and natural lighting make this a beautiful area for guests. Each with their own private bathrooms and TV and entertainment. Also with pullman berths.

Cockpit

The starboard side helm seat is accompanied by a chart table on the port side. There is ample room for a computer and a printer.

Galley

- Granite Countertops
- Miele Dishwasher
- (2) Frigomar Refrigerators
- (2) Frigomar Freezers
- 4-Burner Miele Electric Stovetop
- GE Convection Microwave Oven

Crew Quarters

The crew's quarters are considerably spacious for a vessel of this size with two cabins, and two bathrooms to accommodate a crew of four. One cabin has a double bed and the other cabin has two bunks.

Crew Lounge

Situated aft between the crew cabins is a crew lounge, very unusual on a yacht this size. There is a microwave, sink and small fridge. There is a small crew meals area and also a flat screen TV.

Audio And Visual Equipment

- Fujitsu 42" plasma screen that lifts and retracts from the main cabinetry.
- A full DVD library is also on board.
- Yamaha amplifier - sound system connected to the speaker on the aft deck and the flybridge
